Grand Residential Plots

 Sidlaghatta

Ultra Luxury Living In Harmony with nature

With several resounding success in Housso's recent history, the brand now launches Cedar.

Fully developed sites abounding with nature, fresh air and healthy ambience, Cedar is a dream plot to acquire now...and build your dream home at leisure. The project comes with all civic amenities well in place. Excellent infrastructure, sensible lighting, vast greenery, lifestyle amenities and inhouse clubhouse mark Cedar as one of the most inviting projects in North Bengaluru.

Proximity to KIAL, fast developing industrial areas, numerus big-name companies dictate the investment in Cedar as incredible lucrative and rewarding. Especially with its modest pricing.

Come, get back to nature, move forward in life.
